Information

The BTEC Level 1 Introductory in Sport is part of a new suite of BTEC Introductory qualifications designed for pre 16 learners who wish to achieve a Level 1 qualification in preparation for future study. The qualifications are not designed to lead directly to employment but will maximise opportunities for learners to progress by focusing on the development of transferable and sector related skills.

Studying this qualification will help students;

- ✓ achieve a nationally recognised Level 1 vocational qualification
- ✓ develop essential life skills such as; confidence, team work, resilience and leadership
- ✓ by providing progression routes to post 16 programmes, apprenticeships or employment within the Sport industry

Utopia - Introductory in Sport

BTEC Level 1 Introductory in Sport learner profile

- ✓ Pre-16 students with a passion for sports.
- ✓ Students wishing to pursue a career working in the Sports industry.
- ✓ Practical learners with a good work ethic, who are looking to develop and apply their knowledge and skills in practical contexts.

How students are assessed

- ✓ All assessment is carried out through; practical observations, assignments and coursework.
- ✓ There is no external exam.

Enrichment Activities

Students take part in a range of sports activities such as; volleyball, badminton, boxing, table tennis, football and mixed martial arts. They attend Total Fitness as part of their Exercise and Fitness module, in addition to opportunities to take part in alternative sports such as, BMXing, climbing, horse riding, dodgeball, free running, mountain biking water sports and trampolining.

Why Study BTEC Level 1 introductory in Sport?

The units studied within the BTEC Level 1 Introductory in Sport course are essential to give learners the understanding required to lead a healthy lifestyle. The course also supports progression to vocational qualifications such as the BTEC Level 2 Sport and enhances opportunities for employment in a range of sports related sectors.
