Enrichment Activities

Students take part in a range of personal development activities such as; orienteering, raft building, rock climbing, problem solving and group work. They complete units in working as a team and developing a personal progression plan in which they focus setting achievable goals and analyse the skills needed to see these goals through.

Why Study BTEC Level 1 Teamwork and Personal Skills?

The Teamwork and Personal Skills qualifications put learning into the context of the world of work, giving students the opportunity to apply their research, skills and knowledge in relevant and realistic work contexts. This applied, practical approach means learners build the knowledge, understanding and skills they need for career progression or further study.
